The Wilds Golf Club, designed by Tom Weiskopf and Jay Morrish, is nestled in a breathtaking natural setting of Ponderosa pines, hardwoods, wet-lands and wildlife habitats. Just a short drive from the Twin Cities, The Wilds has 150 feet of elevation changes, water in play on nearly half the holes, swift bent grass fairways and over 70 strategically placed bunkers.

The Wilds stretches 7,025 yards from the Weiskopf tees, with a slope of 152 and a course rating of 74.5 (one of the highest in the state) Multiple sets of trees as well as generously wide fairways, enable golfers of all levels to enjoy the course.

The Wilds Clubhouse, as stylish Frank Lloyd Wright interpretation, offering a spectacular view of the surrounding community and the eighteenth hole. The facility includes: locker rooms with showers, sports bar, satellite televisions, fair weather patio, banquet rooms, bride's room, golf shop and restaurant. The restaurant is open year round and provides casual dining by day and fine dining by night with twinkling lights of the Twin Cities in the distance. It's the perfect place for family, golf, business or holiday functions.

The Wilds Golf Club offers a challenging but fair golf experience for all skill levels. Bring your concentration.

**HOLE #2 Par 5 517 Yards**

Long hitters can reach this par 5 in two but must drive close to the fairway bunker on the left. Carefully consider your options.

A very tempting hole to try and drive. Be careful, what the hole lacks in distance it makes up for on the green.

This par 5 is all about the scenery. Take in the commanding views as you navigate your way around this great three shot hole..

A dramatic uphill par three. It would be wise to take an extra club and just aim for the center of the green.
