MINNESOTA'S
crown jewel

PRIOR LAKE, MINNESOTA

The Wilds Golf Course, designed by Tom Weiskopf and Jay Morrish, is an upscale public course nestled in a breathtaking natural setting of Ponderosa pines, hardwoods, wet-lands, and wildlife habitats. The Wilds has 150 feet of elevation changes, water in play on nearly half the holes, swift bentgrass fairways and over 70 strategically placed bunkers. Multiple sets of tees as well as generously wide fairways, enable golfers of all levels to enjoy the course.

The Wilds Clubhouse, a stylish Frank Lloyd Wright inspired design, offers a spectacular view of the surrounding community and the eighteenth hole. The facility includes: locker rooms with showers, sports bar, high definition televisions, wireless internet, fair weather patio, banquet rooms, bride's room, golf shop and restaurant. The restaurant is open year-round and provides casual dining by day and fine dining by night with twinkling lights of the Twin Cities in the distance. It's the perfect place for family, golf, business, or holiday functions.
